Dear Jim:

Attached is a revised draft of the Amendment we mailed to you on July 2, 1992, that we prepared in response to the Examiner's Action dated April 6, 1992. The revised draft incorporates a Supplemental Information Disclosure Statement making the references cited in the European Search Report of record in this case. A copy of the European Search Report, and the references cited therein, was previously mailed to Beverly Monroe.

Please review the revised draft, and provide us with any comments that you or the inventors may have. The first extended period for response is set to expire on August 6, 1992.

Sincerely,

Marta E. Gross
